

June, 2025

Dear Dobbs Ferry Community,

As we conclude another successful school year, I want to extend my heartfelt thanks to our entire community—parents and guardians, students, staff, and local partners—for making this year an especially productive and satisfying one.

Throughout the year, our focus on teaching and learning has remained at the heart of our work. Whether it was in the classroom, on the stage, on the court, or out in the community, our students have grown academically, artistically, athletically, and socially—guided and supported by dedicated educators and an engaged community.

Thank you for your partnership, your commitment, and your continued support of our schools and our work. It is this collective effort that helps our students truly thrive and ensures that Dobbs Ferry continues to be a place where excellence in education is our past, our present, and our future.

I wish each of you a happy, healthy, and relaxing summer. I hope you will have the chance to find a good book to read, to share with others, or to read to a young student. Let's collectively model for our students this critical habit that will serve them well in any avenue that they pursue.

Be well.

Ken Slentz

Superintendent of Schools  
Dobbs Ferry Union Free School District
