**Committee Members:** Ms. Lucasey, Ms. Sullivan-Nunes, Mr. Klaich, Mr. Slentz

*The meeting convened at 3:45p.m.*

**1. Framing the work**

*Committee*

- a. Review and approval of agenda

*The committee approved the agenda.*

**2. Updates and Recommendations**

*Administration*

- a. Fall sports status

*Mr. Klaich provided the following updates to the committee:*

- *All sports levels - varsity, junior varsity, and modified - are now running.*
- *Every varsity and JV team that we offer is operating this fall with a good number of student athletes.*
- *Our new modified cross country team has 23 student athletes participating and will compete with local schools.*
- *Modified girls soccer is not running this fall due to low numbers.*

- b. Follow up on lights at Springhurst turf project

*Mr. Slentz discussed a potential capital project that would include adding lights to the Springhurst turf field and soccer field. We will discuss this in more detail with the facilities committee at their December meeting.*

- c. Follow up on BIMAS Survey data

*The committee discussed whether we would ask for the student services organization to present the high school student survey results in addition to the BIMAS survey data that was collected in the spring. Committee members will review these presentations again to determine if a presentation will be made to the board.*

- d. Structure and Function of Committee for 2024-25

*The committee discussed the historic structure and function of the committee and what the focus would be on the year ahead. The committee will focus on student participation in extra and co-curricular clubs, how this participation correlates to student health, wellness, and school attendance, particularly focusing on reducing chronic absenteeism.*
